An Intriguing collaboration between the Largest Auto Show in Japan and Distinctive Collector Car Auction "TOKYO AUTO SALON AUCTION with BH Auction" Vehicle Lineup Announced

We are pleased to announce that TOKYO AUTO SALON has joined hands with BH AUCTION (BHJ Co., Ltd./CEO Shinji Takei), a Japanese authentic auction house recognized globally for specializing in collector cars, to launch "TOKYO AUTO SALON AUCTION with BH Auction" on Friday the 12th of January 2018 - the first day of "TOKYO AUTO SALON 2018", one of the largest annual custom car and car-related product shows taking place at Makuhari Messe over the three-day period.

One of our top picks coming up for the Auction is Nissan R90CK - a Group C racing car that took part in the 24 Hours of Le Mans in 1990. Another 15 vehicles are now listed - all collectible, rare and historically valuable racing cars, tuned cars and classic cars. Our finest selection should entice experienced bidders from home and abroad into the inaugural "TOKYO AUTO SALON AUCTION with BH Auction".

To cover the Auction, you first need to apply for TOKYO AUTO SALON 2018 Media Accreditation. Registrations are now open online at TOKYO AUTO SALON official website <www.tokyoautosalon.jp/2018/en/media>. Please complete registration by Friday 29 December at noon JST. You can enter the Auction venue by collecting your Media credential at Credential Centre at Makuhari Messe Central Entrance and then go through the Auction registration desk at the Event Hall.
