An Intriguing collaboration between the Largest Auto Show in Japan and Distinctive Collector Car Auction "TOKYO AUTO SALON AUCTION with BH Auction" Lineup of 50 Vehicles Announced

We are pleased to announce that TOKYO AUTO SALON has joined hands with BH AUCTION (BHJ Co., Ltd.), a Japanese authentic auction house recognized globally for specializing in collector cars, to launch "TOKYO AUTO SALON AUCTION with BH Auction" on Friday the 11th of January – the first day of "TOKYO AUTO SALON 2019", one of the largest annual custom car and car-related product shows taking place at Makuhari Messe over the three-day period.

Fifty collector cars will come up for "TOKYO AUTO SALON AUCTION with BH Auction", taking place for the second time, which is far exceeding last year's lineup of 16. To celebrate 50 years of the Nissan Skyline GTR, 10 GTRs from the first and second generations are slated for the auction as one of this year's top picks. The other vehicles are all collectible, rare and historically valuable racing cars, tuned cars and domestic & imported historic cars. Our finest selection will bring together a lot of experienced bidders from home and abroad.

To cover the Auction, please go through the Auction registration at the Event Hall by showing your TOKYO AUTO SALON 2019 media pass and providing your business card. Those who have not made an online media registration may register onsite. <www.tokyoautosalon.jp/2019/en/media/>
